### **DETAILED ACTION**

1. The Supplement Application Data Sheet **filed on 11/07/08** for priority claiming has been entered and approved.
2. The drawings **filed on 9/27/07** have been entered.
3. The Information Disclosure Statement (IDS) submitted on **7/23/02** and **10/03/03** have being considered by the examiner.

### ***Drawings***

1. The Drawings filed on 9/27/07 of Figures 3 and 4 did not **comply with section (c) of 37 CFR 1.173 (b) (3):**

(c) Amended figures must be identified as "Amended," and any added figure must be identified as "New." Cancelled figures must be surrounded by brackets and identified as "Canceled."

2. For instance, FIG 3 should be labeled as "Amended FIG 3."

### ***Oath/Declaration***

The specification to which the oath or declaration is directed has not been adequately identified. See MPEP § 602.

3. **A new oath is required. The title of the invention for which the reissue patent sought is incorrect.**

(a) The oath or declaration must identify the specification to which it is directed as required by 37CFR 1.63(a)(2). [See MPEP § 601.01(a) last para. and § 602 part VI for guidance regarding the acceptable minimums for identifying the specification in an oath or declaration.

**READ-ONLY MEMORY HAVING SPECIALLY  
OUTPUT CIRCUITS AND WORD LINE  
CONNECTED TO A GROUP OF MEMORY  
CELLS**

- 4. The application was filed without a proper consent. The consent does identify the correct patent for which reissue is sought.**

If the patent (or the reissue application) has been assigned, 37 CFR 1.172 requires that all assignees owning an undivided interest consent to the filing of the reissue application. If there is no assignee, the application should so state. Otherwise, it can be assumed the patent and/or reissue application is assigned.

***Conclusion***

- 1. Claims 1-18 are rejected** as being based upon a defective reissue stated with the reasons above under 35 U.S.C. 251 as set forth above. See 37 CFR 1.172.

The nature of the defect(s) in the Declaration is set forth in the discussion above in this Office action.
